WOW! A pop-up window for just filters?

Click on "Price" to filter.

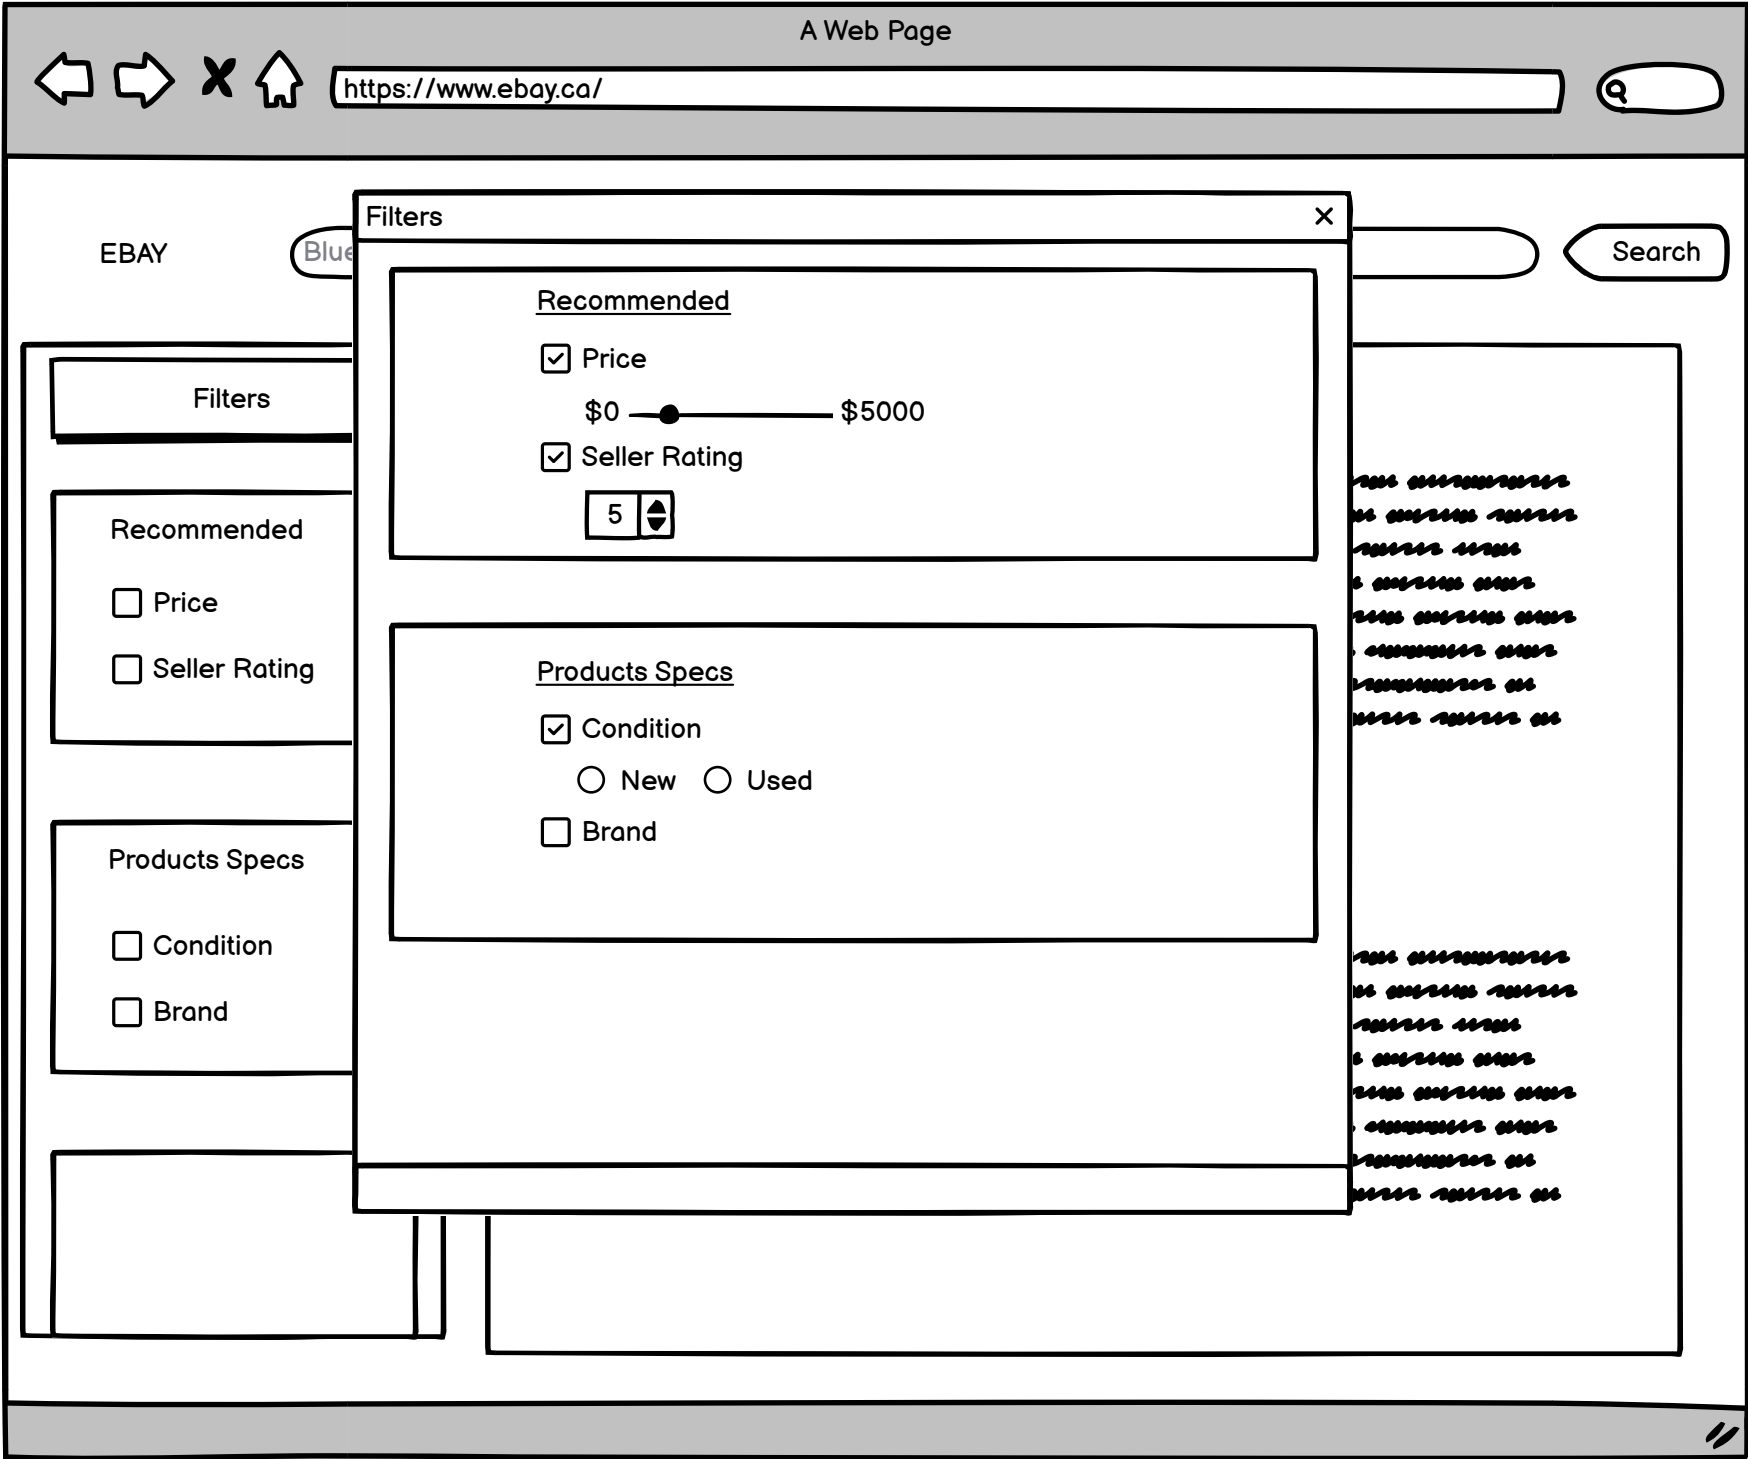

Nice. We can set price range too.

Now, go ahead and click "Seller Rating".

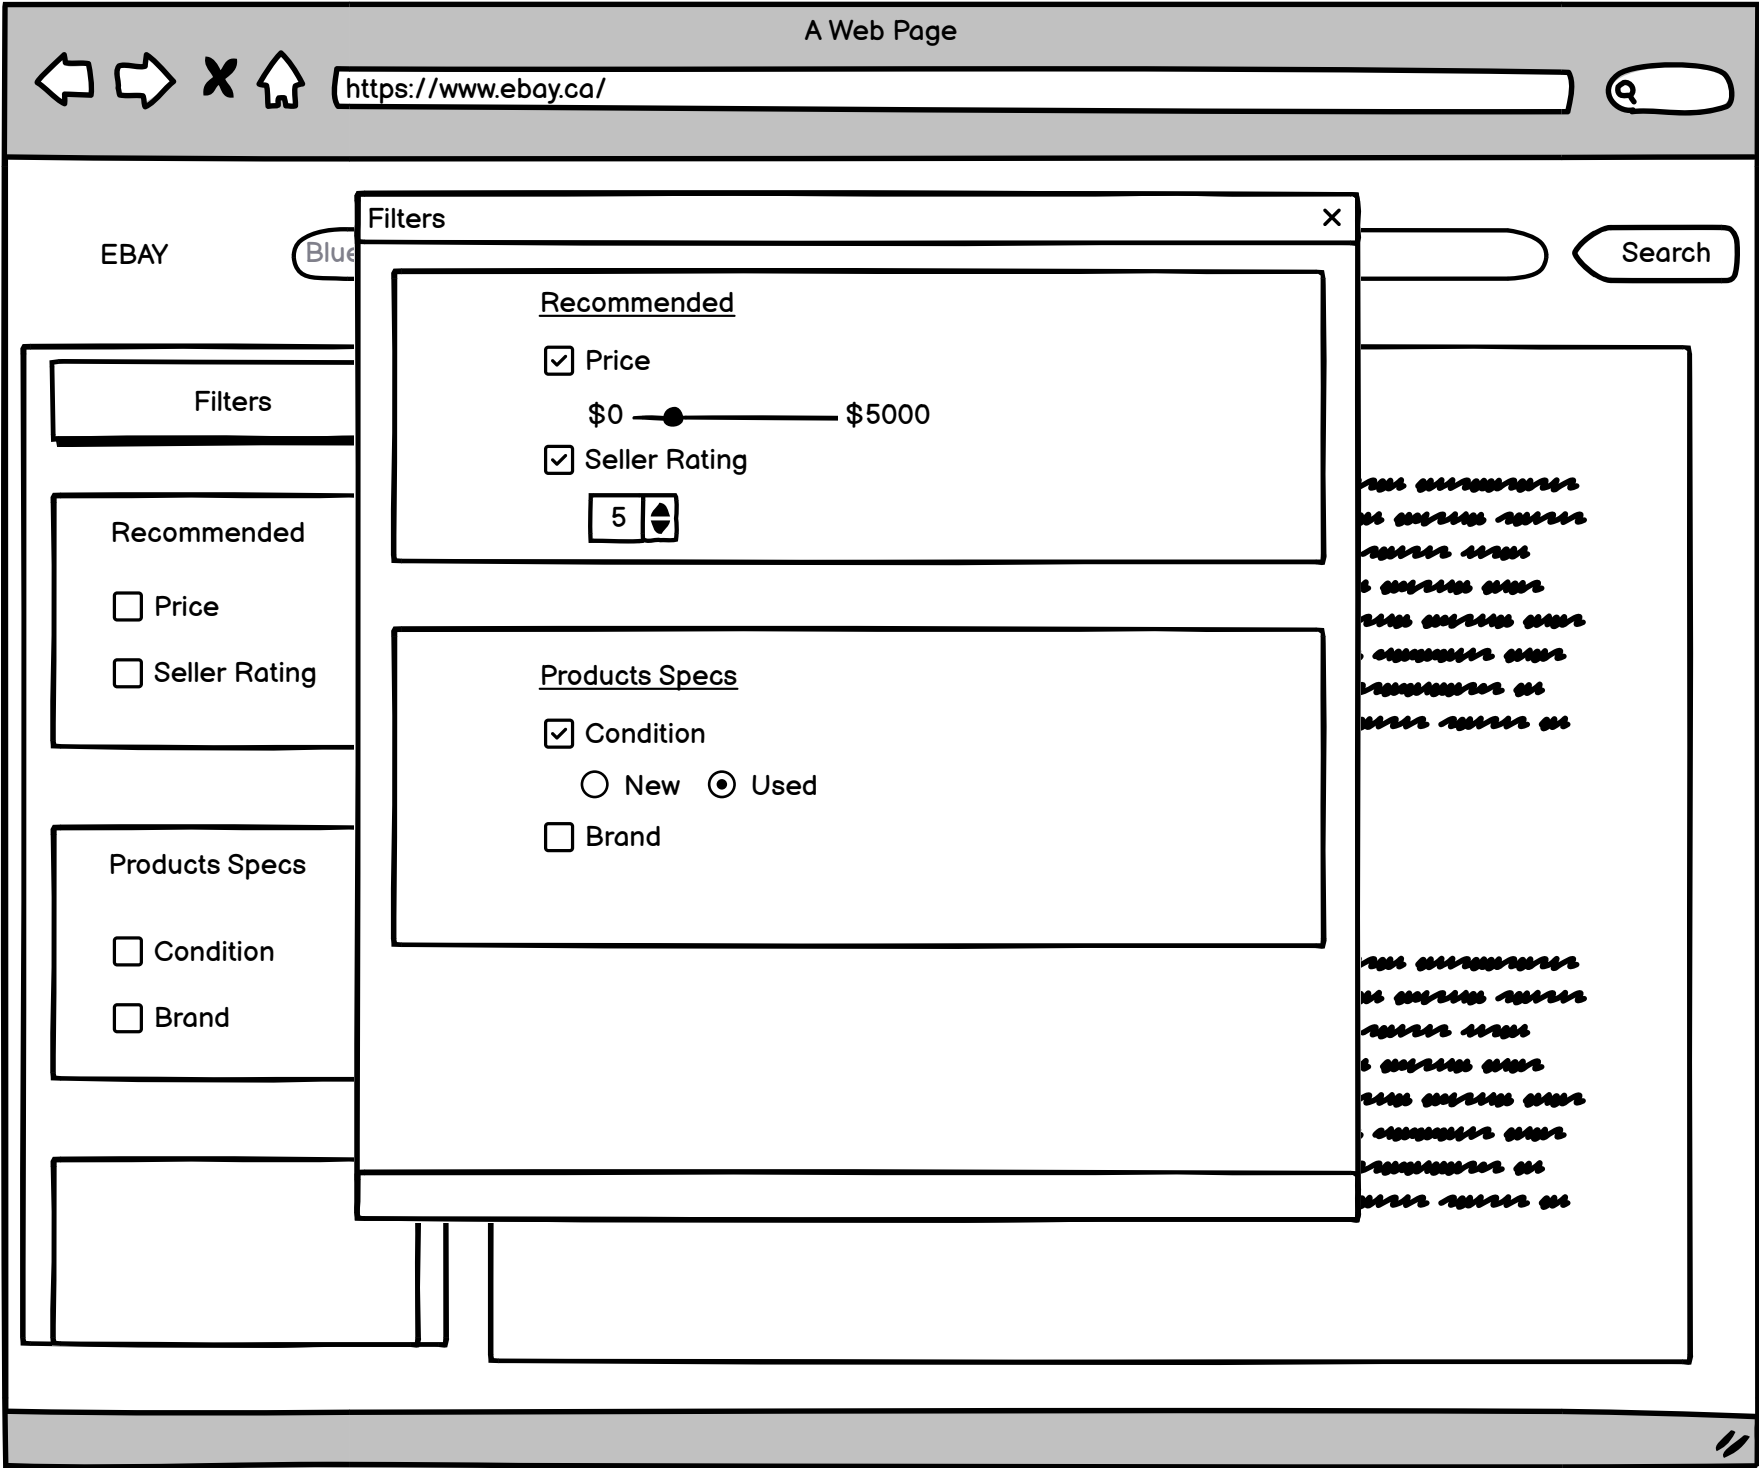

We can set seller rating too. 5 stars is the best.

Now click on "Condition".

We can choose whether we want "New" or "Used".

Please click on "Used" as that is what our task is about.

Great!

Now click on "Brand" so that we can customize even more.
